

G: What are they doing?

M: They are competing “kagihiki”.

G: What’s that?

M: It’s a festival that has been more than 300 years ago.

We separate two teams, Kamitakakuma and Shimotakakuma.

We use two types of trees and do tug of war.

G: For what?

K: For rich herbage and our health.

G: When do you do it?

K: I know that!!! Usually, it is held in the third Sunday of February

but this year, we can’t do it because of COVID-19.

GMK: Please come and join Kagihiki!
